Dear All,

Good Morning,

India Association of Long Island, the largest and the oldest organization of Indians in Long Island, in existence for over 40 years, strives to expand its programs and services to the community. No organization will be able to function and fulfill its mission without the help from its supporters. Since our mission is to help the community and promote rich heritage of India, we rely on the generosity of individuals and businesses for support. Without the generosity of community-minded leaders like you, we would not be able to have this event successfully.

One of the major events to raise fund for the smooth run and functioning of the Organization is Gala Dinner. On this day, we honor a few well-respected individuals of our society, for their contribution to the Community in their respective fields. These Honorees of the Year will bring in the financial support of \$5,000 to \$10,000 by their generous donation and advertisements by their well-wishers.

At this special event, we are bringing out a Journal with Honorees Pictures, write up and their messages, advertisements from the business owners and community leaders. We are also looking for sponsors. Following are different levels of sponsorships:

Gold Sponsor: \$ 5,000 -Back page ad + 12 Tickets to the event + Company banner in Prime area + One table to display.

Silver Sponsor: \$ 3,500 -Front inside page ad + 8 Tickets to the event + Company Banner + One table to display.

Bronze Sponsor: \$ 2,000 -One page ad + 4 Tickets to the event + One table to display.

Advertisement: \$ 750 -Full Page Ad + 2 Tickets to Gala
